SUPPLEMENTAL OUTREACH INITIATIVES

Sacred Heart University February 2017, students participated with management personnel of station in helping them with different media matters requested by the university.

Puerto Rico University students requested programming schedules, sales rates, covering station map and answers related to the audience for so many years. Students came from mid January to March 2017.

Sacred Heart students (4) were assisted by Accounting Department related to the changes in tax matters and how this affect this type of business.

WCAD attend various training programs to increase job skills and government changes laws.
